Norm Compliance Declaration

All our materials comply with the following regulations, according to the latest available updates as of the date of this declaration (see date at the end of this document).

RoHS

Our products comply with RoHS Directive 2011/65/EU and its amendment Directive (EU) 2015/863, restricting the use of certain hazardous substances.

REACH

Our products comply with REACH Regulation (EC) No. 1907/2006.

REACH compliance means that:

- The products are categorized as articles under the REACH Regulation.
- They do not contain any substances currently listed in the REACH Candidate List of Substances of Very High Concern (SVHC) (Article 59(10) of the REACH Regulation) above the threshold of 0.1% weight by weight.
- Notification to ECHA for these products is not required under REACH (Annex XIV).
- The products do not contain substances restricted under REACH Annex XVII above the applicable limits.
- Communication to downstream users regarding the presence of SVHC in the products is not required.

PAH (Polycyclic Aromatic Hydrocarbons)

Our products comply with REACH Regulation (EU) No. 1272/2013 relating to Polycyclic Aromatic Hydrocarbons (PAHs) and with the GS Specification AfPS GS 2019:01 PAK (at least Category 3).

CMR (Carcinogenic, Mutagenic or Reprotoxic Substances)

Our products do not contain any substances classified as CMR according to Regulation (EC) No. 1272/2008 (CLP), Annex VI, Part 3, above the limits specified in the regulation.

POP (Persistent Organic Pollutants)

The substances used in the production of our materials have been assessed for the potential presence of Persistent Organic Pollutants (POP). Based on this assessment, none of the substances used are listed in the POP Convention list in accordance with Regulation (EU) 2019/1021 of 20 June 2019 on Persistent Organic Pollutants.

Conflict Minerals

To the best of our knowledge, our products do not contain conflict minerals as defined under Regulation (EU) 2017/821 and the Dodd-Frank Act. These substances are not intentionally added to our products and, based on information received from our suppliers, are not expected to be present, except possibly as unintentional trace contaminants.

ADI (Animal Derived Ingredients)

Our products are free from human or animal-derived materials, including bovine-derived substances. No animal-derived ingredients (ADI) are used during the manufacturing or handling processes of these products. Therefore, these materials can be declared free from Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).

TSCA (Toxic Substances Control Act)

We acknowledge our obligations under the U.S. regulation concerning Persistent, Bioaccumulative, and Toxic (PBT) chemicals under Section 6(h) of the Toxic Substances Control Act (TSCA).

We confirm that the products supplied do not contain the following Persistent, Bioaccumulative and Toxic (PBT) substances regulated under TSCA Section 6(h):

- Decabromodiphenyl ether (DecaBDE) - CAS No. 1163-19-5
- Phenol, isopropylated phosphate (3:1) (PIP (3:1)), also known as Tris(4-isopropylphenyl) phosphate - CAS No. 68937-41-7
- 2,4,6-Tris(tert-butyl)phenol (2,4,6-TTBP) – CAS No. 732-26-3
- Hexachlorobutadiene (HCBD) - CAS No. 87-68-3
- Pentachlorothiophenol (PCTP) - CAS No. 133-49-3

PFAS (Per- and Polyfluoroalkyl Substances)

Our products do not contain per- and polyfluoroalkyl substances (PFAS) as defined in the restriction proposal published by ECHA on 7 February 2023 (ECHA/NR/23/04).

Biocidal Products

Our products, and their individual components, do not contain active substances regulated under the Biocidal Products Regulation (EU) No. 528/2012 (BPR).

California Proposition 65 (CP65)

To the best of our knowledge and based on information provided by our suppliers, our products do not contain chemicals listed by the State of California under the Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65) above the applicable threshold levels.

Deforestation Regulation (EUDR)

We acknowledge our obligations under Regulation (EU) 2023/1115 on deforestation-free products. Our products are intended to fulfil the following conditions, to the best of our knowledge and based on supplier declarations:

- They are deforestation-free.
- They have been produced in accordance with the relevant legislation of the country of production.
- They are covered by a due diligence statement.

Responsibility Disclaimer

The information provided in this declaration is based solely on documentation supplied by our raw material and component suppliers. Zenith Rubber Europe does not independently verify the accuracy or completeness of such third-party documentation on which this declaration is based.

Zenith Rubber Europe accepts no responsibility for incomplete or inaccurate supplier documentation, nor for any incomplete or inaccurate information contained in this declaration.

Zenith Rubber Europe shall not be held liable for any direct, indirect, incidental, or consequential damages that may result from reliance on the information provided in this declaration, or from the use or interpretation of this information by the reader or any third party.
