Declaration of Conformity

We hereby declare that the following products

Invoice No.: 18-R-0711_TL1

Charge: 1717838/3

Tube LEZ SIL 55-TP

are compliant with the following specifications:

55 +/-5 Shore A; translucent; peroxide-vulcanized; compliant: FDA §177.2600, BfR XV, biocompatible according to USP Class VI; Ph Eur 3.1.9 (up to 2,5 mm wall thickness), EC 1935/2004; tolerance ISO 3302.1 E2; operating temperature -60°C to +200°C

and that they have been manufactured from raw materials and additives which are compliant with the required specifications.

Our products are manufactured from raw materials and additives which are certified compliant with the above-mentioned specifications and norms by our manufactures as well as with the norms RoHS and REACH.

If necessary, for reasons of registration, it will be the responsibility of the user to have verified by an authorized laboratory that the final product also complies with the above-mentioned norms.

Best regards

Bernadette Gillen
