DATE: 21 August 2019

All our materials conform the following norms (according to the latest updates see date):

- RoHS: all our products conform RoHS (2011/65/EU and 2015/863/EU)
- REACH: all our products conform REACH (Regulation (EC) No. 1907/2006)
- SVHC: all our products conform the SVHC requirements (Article 59(10) of the REACH Regulation)
- PAH: all our products conform REACH Regulation (1272/2013) (PAKs) and GS-Specification (AfPS GS 2014:01 PAK, at least category 3)
- Conflict minerals: We confirm that, to the best of our knowledge, our products do not contain conflict minerals. None of the substances are intended ingredients of our products, and based upon information from our suppliers, are not expected to be present in our products, except as unknown contaminants at trace levels. (EU 2017/821 and Dodd-Frank-Act)

Filling in your forms:

We take great care in checking, double-checking all the norms and requirements, they are confirmed by our suppliers. I'm sorry but we receive so many requests for filling in forms. We cannot do this anymore. Thank you for your understanding.
